Cochiti Lake Fly

## PRESIDENT'S CORNER

**"Da Prez Sez"**

Well at last a calm morning, and 5 of us were at the right place at the right time, it was Cochiti Lake. We had one of the best flying days so far this year, with dead calm waters all morning long. Hot Dogs expertly grilled by myself were outstanding thanks to Don. for lunch. For a lot of fun put some floats on a stick, or bring a W they fly well off water and enjoy a relaxing day.

See U all at the next meeting at the field.

Club Meeting at the field Saturday 28 June @ 10am  
Santa Fe club's annual Float Fly on Sat/Sun, August 23/24th

## Cochiti Lake Fly

Club members ventured to Cochiti Lake Tetilla Peak side for our first float fly of the season. There were about 7 members present some for their first float fly. We arrived at the lake at approximately 8:40am. The first planes took flight a few moments after arrival. We flew from the water without incident til lunch then Ken cooked "Tube Steaks" for the group. We then continued to fly til the wind came up around 1:30pm. It was a great day enjoyed by all. Some pictures are below, the remained of the pictures shot are available on our website.
