Family Day at
Waterman Field

PRESIDENT'S CORNER

"Da Prez Sez"

A little rain last week will help keep the dust down around the flying field. May was a lot more windy than it should have been for this time of year. With Summer on the way we should be getting some nice warm, calm, days soon, I hope. Hope to get up to Cochiti lake soon to check on floating logs and whatever else the rain last fall may of washed down to the lake. Last summer we got in some nice float flying days, and I hope we can do the same this summer.

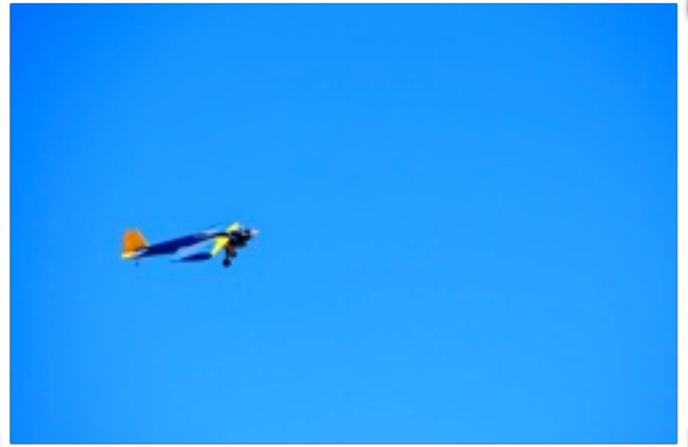

See U all on family day.
