PRESIDENT'S CORNER

"Da Prez Sez"

February is over and another winter month is gone. It was a nice month for most of us with warmer than normal temps. Some of us went to the field when it was not too cold or windy and got in some flying time. Thanks to Vic, we had two indoor flying days with good turnouts on both days. The March meeting is our annual Swap Shop so dig out some of the unwanted

things collecting dust in the shop and see if someone else might find a use for them.
See U all in March.
