WATERMAN FIELD

ELEVATION 5840 FEET

35° 17.2'N 106° 44.8'W

Work Party at the field

## PRESIDENT'S CORNER

### "Da Prez Sez"

Winter is long gone in New Mexico, and for some of us the flying was getting pretty good. All of the sudden it looks like we are in the windy season. Things change fast in N.M. The weather has been changeable, with cool mornings, and windy days. Many thanks to all that came to the field for cleanup day, this year was the best showing of members so far, it made quick work of the clean up, and even allowed some of us to get in a little flying. Thanks again. Cochiti is open for the summer, think float flying. See U all at Garry's for the last indoor meeting this year, we start meeting at the field in June.

### Coming Events

1. Next Meeting 4 May, 7:00pm at the Wallen Shop.
2. Family Day 30 May, 10:00 am.
3. Cochiti Lake Float Fly 7 May.

# MEETING MINUTES

## Minutes from the April 2015 Club Meeting

The meeting was called to order at 7:10 by Ken French.

Pledge of Allegiance

**Treasurer Report:** Not Available.

14 members were in attendance

Robin Tuckler was in attendance for the first time as a new member

### **Field Report:**

Tentatively scheduled for April 11th at 9am to clean out the dirt under the fence and rebuild the hill along the runway. Asphalt cracks will be filled also. Members will be emailed, rakes, shovels and brooms are needed. Glenn requested doughnuts.

### **Safety:**

Ken reminded everyone to stay in the pilot boxes.

Discussion about meeting programs:

Stan said that he would be willing to talk about electric power.

### **New Business:** Float Flying:

Ken said Cochiti will be open on April 15th and that float fly outings will be scheduled based on interest of the members.

Meeting was adjourned at 7:40.

Post Meeting Stan shared building tips for a recently constructed rubber band model that he has converted to an electric-powered model.
