Family Day 2018

## PRESIDENT'S CORNER

### "Da Prez Sez"

Lots of sun and warm days June was a good month for flying. the wind was not to bad compared to all the wind we had early this year. Family day was a good time for all, with lots of flying and some news coverage in the Rio Rancho Observer. The first trip to Cochiti was a good one, the wind was up a little on our arrival but it calmed down and we got in a nice morning of flying. Lunch was good also. See you all at the July meeting.

## Coming Events

1. Next Meeting Saturday 7 July, at Waterman Field
2. Swap Meet at Maloof Field Saturday 14 July 7-11AM

## Family Day 2018

Family Day was held on 9 June with approximately 30 members and family present. The weather started on the windy side and calmed as the day went on. There was plenty of good flying.

## Cochiti Lake

We went to Cochiti Lake on the 21st of June. There were fliers from the Duke City Club at the lake when we got there. Flying was pretty good. It seems we always do well at the lake. We'll discuss our next outing at the meeting.

## Boat Flying in Pittsburgh Pa

I got to visit my brother in Beaver Falls Pa and went flying from his houseboat. He bought the new Maul M-7 and it flew great!

# MEETING MINUTES

## Minutes from the Month 2018 Club Meeting

The Meeting was called to order at 10am with 12 members present.

**Minutes** were accepted as published.

**Treasurers Report:** Accepted as Presented.

**Membership Report:** 38 Memebers

**Field Report:** 1. The field has been cleaned up of weeds and debris.

2. Crack repair continues. Materials are in the storage shed. Don bought a blade tool to help getting the debris out of the cracks to assist in repairs.

3. The field gate has been painted Forest green in preparation for Family Day.

**Safety:** When flying announce your flight intentions to other pilots that are flying. This is to prevent 2 pilots from landing or taking off at the same time.

**Unfinished Business:** 1. Family Day is on track for the 9th of June.

2. There was a discussion on making preparations for the Christmas Party. Club members decided that we'd use the Hong Kong Buffet. Members would pay their admission to the buffet. We will still have the usual raffles and

White Elephant Gift Exchange. Bill will see what we need to do at the Hong Kong Buffet to reserve the room. Bill went down to the Buffet and was told it was too early to reserve the room for Christmas. The hostess said we need to reserve it about 1 month prior to the event and we wouldn't have any issues getting the room.

**New Business:** 1. National Model Aviation Day 12 August 2018- the club is enrolled in this national event.

2. We're indoor at the Star Center on the 18th of June.

3. We're planning to go to Cochiti Lake. Don will email everyone when the date is decided.

4. Don will get a new digging tool to help clear the debris, and old tar from the runway cracks. The meeting adjourned @ 1020am
