MEETING MINUTES

Minutes from the May 2018 Club Meeting

The meeting was called to order at 10:00am with 13 members present.

The minutes were accepted as published.

The Treasures Report was accepted as presented.

Field Report: The wind has been horrendous at the field. Not many good days for flying.

2. Cracks need repair on the runway. If you're out flying and the wind comes up plz take some time and repair a crack. Tools and materials are in the storage unit.

3. Garry committed to getting the tractor to the field and clearing out the weeds.

Safety: No issues noted.

Unfinished Buesiness: 1. 18 June is the next scheduled indoor flying event.

2. Family Day preparations are in progress.

Family Day is scheduled for 9 June 2018 starting at 10am.

3. There was a discussion on the location for the Annual Christmas Party. Choices were the hall in Bernalillo across the street from the Range Restaurant, the Hong Kong Buffet by the Cottonwood Mall on Coors Blvd, or continue the

search. There was also a discussion on how to cater the event. Like last year club buys meats and members provide side dishes and dessert, or members pay their own Buffet and meet in the room. It was discussed that if members paid for their own buffets we'd have more money in the budget for door prizes. A vote for the options was taken and decided by unanimous vote, we would reserve the room at the Hong King Buffet and members would pay their entry to the Buffet. Bill Ryan will make the reservation at the Buffet on an early fri/Sat in Dec that is available at the Hong King Buffet.

New Business: Bill Ryan has put the club in for a Grant for Field repairs. He will provide an update at the next meeting.

2. Garry's lake fly is scheduled for the weekend of 18 May at Cochiti Lake. Members want to attend should email Don to reserve your place.

The meeting adjourned @ 1040am.
