Santa Fe Float Fly at Cochiti Lake

## PRESIDENT'S CORNER

### "Da Prez Sez"

Labor Day is here the official end of Summer. It has not been the best summer with lots of wind and dry hot conditions. The trips to Cochiti were the best with nice calm mornings, great for float flying. The float fly put on by the Santa Fe club was a good time with a small number of flyers there was plenty of air time for all. Things should get a little better this fall with late summer warm calm

days.see U all on Sat.
