Family Day 2019

## PRESIDENT'S CORNER

**"Da Prez Sez"**

Well fellow fliers, another month begins. Where do the days go? Weather has been on the windy side. July will surely bring some calm skies! Looking forward to the first night fly on the 13th. (Get those lights on) Some highlights have been Float Flies and, of course, the Family Day at the field. My count was 31. Thanks Don & Ken for manning the grill and Ruth for shopping. Don't forget to support the ABQ Club swap meet on the 13th at Maloof. Need to weed out some space or fill a space? No charge to sell and a free pancake breakfast. Then take a nap and come to the Night Fly at our field. Refrain from inverted landings and see you at the field.
