July brings Family Day (also club meeting for July) on the 4th. A PM Night Fly also on the 4th with views of the Rio Rancho Fireworks. We have some great items for this years Family Day raffle! Looks like a possible break after the hot and windy June days. Thank you to everyone for supporting the Swap meet in June! See you at the field and Safe Enjoyable Flying.

Coming Events

1. July 4th Family Day . . Starts 10:00am
2. Next Meeting July 4th 10:00am

Family Day

This Saturday July 4th starting at 10:00am is our annual Family Day. We'll be serving Dogs, Burgers and all the Fixins' including desserts

What you need to bring is your family, planes, chairs, personal table(if needed) and drinks, we'll take care of the rest. We'll start at 10:00 with the monthly club meeting then start the cooking !!! We also have a great view of the Rlo Rancho Fireworks so you can stay all day and fly lighted planes at dusk or go home and come back for the fireworks. We will also have our plane raffle. Tickets will be \$5.00 per entry or 5 tickets for \$20.00. We have the following new planes in the raffle: E-Flite Sukhoi, calypso glider, sportsman s+, 800mm t-28, night walrus, a built and ready to fly Slo-Stik and a new Hobbico 40 size trainer with a new.46 MDS Nitro motor(Can be easily converted to electric) with servos and ready for your radio. We also have some planes and Helicopters that need

some work that can be had a for a donation to the club. Check them out you might find something you want.

SWAP Meet

The club held our first SWAP meet on Saturday the 19th of June. It started at 0700 and the guys from Santa Fe were first at the gate at bout 640ish. There were about 30 people at the field providing really good deals. It was a great chance to sell some of your stuff and acquire new stuff !! I saw a 70mm Viper jet for sale for \$65, an AT-6 Texan ARF assembled without radio or motor for \$30, Gas motors, nitro motors, planes with motors, chargers and almost anything you could think of. We even had some people brave the winds and got some flights n. The club officers would like to thank all the modelers who participated and hope everyone had a good time. Pictures are below.
