PRESIDENT'S CORNER

"Da Prez Sez"

Happy September to all. I'm not going to make any wind predictions this month. However, two important thoughts. 1) Please lock the gate. Chain goes through the hoop in the gate, combo lock is attached to the steel keyed lock, and lastly please double check that the "lock" is locked. 2) If you smoke: please do it in the lot, field strip and pack out your remains.

We have had some good days to fly this month and had all the spots under the canopy filled. Wonderful seeing more planes and pilots out.

Look forward to seeing you at the field for this month's meeting!
